<u>Problem</u>:

Single Segment Speed Breaker

<u>Difficult</u> for people with back or neck pains,
pregnant women, and for manual rickshaws.

<u>Solution</u>:

Three Segment Speed Breaker

<u>Convenient</u> for people with back or neck pains,
pregnant women, and for manual rickshaws.

Request to the Government:
Consider issuing a GO banning single segment speed breakers
and mandating three segment speed breakers.

It will solve the difficulty faced daily crores of times by lakhs of people.
