Essence

What is the essence of Life ?
Growth.

What is the essence of ‘a’ life ?
Uniqueness.

Identity vs. Survival.

Diversity

Krishna Sharma - krishna@grihastha.org

How to understand diversity ?

Don't start with you. Don't start with a problem. Start with Nature.

Why nature creates diversity ?

Indic philosophy has a great amount of discussion in addressing and answering this question.

(Not a subject of discussion in this workshop)

How nature creates diversity ?

Answers to this question comes from various quarters:
Indian Philosophy, Biology, psychology, sociology, etc.

MJPC

Medha Jananam Personality Chart

A result of all of those answers consolidated together.

It represents the uniqueness of each individual.

Krishna Sharma - krishna@grihastha.org

7 billion people – 10 keys

You don't have 7 billion keys on your phone to reach the 7 billion people.

You just have 10 keys.

Every one is a combination.

People are infinitely diverse.

But that comes from a combination of variations in few factors.

Krishna Sharma - krishna@grihastha.org

God's gift

We take pride and feel happy about being what we are,
no matter who we are !

We are never unhappy about what we are.
We are only unhappy if we can't be what we are !

Gita 3-29

Krishna Sharma - krishna@grihastha.org

God/Nature's garden

Each one of us is a plant
