'Welcome to Life'

Workshop starts on Sat Feb 12th 9:30am.

- Understand consciousness levels and energy levels that guide everything you do.
- Understand the relationship between individual, society, nature and universe.
- Understand the relationship between sciences, technology, economy, politics, religions, gods and universe.
- Understand the five layers that make up the world inside of you and the three layers that make up the world outside of you.
- This workshop is based on a model of the universe called 'Framework of Aum', which draws heavily from Dharmic Thought and includes concepts from sciences, humanities, philosophies and world religions.
- This workshop introduces you more than 20 concepts including Organisms, Cycles, Fractals, Brahman, Om and Pancha Kosa.
- This workshop is being offered since July of 2009 and has been phenomenally successful. You can see the Blogs section of the website, to get a feel for its transformative effect.
- See www.medhajananam.org for details.
