Colorful Humanity

(The four primal energies)

A two-day workshop based on 5000+ year old chaturvarna concept of India

There are four primal energies in the world
that move everything.
One of them is dominant in every individual, which
gives a distinct personality color to every one.
The energy flowing in an individual drives everything -
the actions, the thoughts, the interests, the desires,
the fears, the hesitations, the ambitions and the choices.

On the first day of the workshop, you will be introduced
to the four energies in a systematic manner.
You will then be guided to identify your own personality color
using 50+ commonly occurring patterns in life.
On the second day, the knowledge of colors is discussed
in the context of family, workplace, society and spirituality,
so that you can start using the knowledge of colors
in all spheres of life, immediately !

Offered by Medha Jananam
