Synopsis:

Success doesn't come easy. Happiness is even more difficult. Harmony takes much more. **Sages of India, 5000+ years ago made a phenomenal discovery** that there are four primary energies that are the basis for everything people think and do. If the four energies are in balance and in sync with each other, success, happiness and harmony follow everywhere.

In this workshop you will learn how to recognize the four energies and how to make them work in sync to bring success, happiness and harmony into families, teams, departments, organizations and societies.

Benefits:

Understanding the four energies makes it 40% - 60% easier to deal with children.
Understanding the four energies makes it 40% - 60% easier to deal with spouse.
Understanding the four energies makes it 40% - 60% easier to deal with colleagues.
Understanding the four energies reduces resentment, frustration and unhappiness by 20% - 50%.
