Find your

Personality Color

based on 5000+ year old Varnasrama system of India

Knowledge of personality colors clears the fog
that is preventing you from gaining a
clear and full understanding yourself and people in your life.

Knowing the personality color means knowing people inside out -
be it you, your spouse, children, siblings, parents, in-laws, colleagues or customers.

The workshop provides several tips on positive collaboration
with people of your own color and with people of other colors.
